**Additionally, regarding new licensees joining the Association:**

- \* The DR acknowledges that all new licensees or new member applicants are obliged to attend an Orientation Course within a prescribed time of application, and,
- \* Failure of any licensee to attend Orientation within the prescribed time results in the membership application being rejected by the Association, at which time rejected applicant is counted as a non-member licensee, and the DR is then assessed an additional formula dues reflecting the affiliation of such nonmember licensee with the firm.
