Cyber claims and attacks are escalating in unprecedented frequency and intensity and pose a growing threat to the business community.

Cyber threats vary from the theft of customer account information, to attacks meant to disable a company's computer network and website.

Does your firm have a website, use the Internet, send or receive e-mail, have Digital Property, use VOIP, or collect or maintain the following Personal Information or Third Party Corporate Information:

- Government identification numbers (e.g. social security or driver's license numbers)?
- Credit card numbers, debit card numbers or other financial account numbers?
- Protected health care or medical records?
- Confidential corporate information of others (e.g. information under Nondisclosure Agreements (NDA) or Merger & Acquisition (M&A) information)? Or other private, confidential or sensitive information?

If so, a Cyber Protection Package Policy is not only a necessity, it is imperative. Broad comprehensive coverage is very affordable and is designed to get your business back on track as quickly as possible all while protecting your company's brand and reputation. The Cyber Protection Package Includes:

DIGITAL CRIME. Cyber Extortion, Electronic Transfer Fraud, Deceptive Transfer & Telephone Toll Fraud.

BREACH LIABILITY. Network Security and Privacy Liability, Internet Media Liability, Regulatory Proceedings and Fines & Payment Card Industry (PCI) loss.

BREACH RECTIFICATION. Data Breach Team Expense, Business Interruption Coverage & Digital Property Replacement.
