

## HGAR Affiliate Membership

The Hudson Gateway Association of REALTORS® offers an Affiliate Membership to businesses that are not real estate Brokerages but want to build relationships and business opportunities with our member REALTORS®. The Affiliate membership dues are \$250 per year, which allows the firm to have one representative who receives HGAR notifications. The firm can have additional representatives who also receive notifications, for dues of \$50 per year for each such additional representative, as long as the business address is the same.

### Benefits to the HGAR Affiliate Membership include:

- **Affiliate Directory Listing:** Company name, address, phone, website, contact information, logo and Affiliate Member headshot on our Website, HGAR.com, in a [Directory of Affiliates](#) (sorted by industry group, or Member last name) and on [RealEstateInDepth.com](#) in the “Marketplace” Directory.
