

RPAC of New York's Pay-As-You-Go Major Investor Pledge Form

The RPAC of New York "Pay-as-you-go Major Investor Plan" gives REALTORS® the ability to pledge their support of RPAC at the Major Investor level and pay incrementally throughout the course of the 2022 fundraising year. Contributions are not deductible for federal income tax purposes. Contributions to RPAC are voluntary and used for political purposes. The amount suggested is merely a guideline and you may contribute more or less than the suggested amount. You may refuse to contribute without reprisal and the National Association of REALTORS® or any of its state associations or local boards will not favor or disfavor any member because of the amount contributed. 70 percent of each contribution is used by the State PAC to support state and local political candidates. Until your state reaches its RPAC goal, 30 percent is sent to National RPAC to support Federal candidates and is charged against you limits under 2 U.S.C. 441a; after the state reaches its RPAC goal, it may elect to retain your entire contribution for use in supporting state and local candidates.
