Ashley Rogers
Ecuador At Your Service

Ashley Rogers is a former award-winning network television producer and documentary filmmaker from New York City and Los Angeles. In 2010, Ashley became an expat, purchasing a pre-construction colonial property in the historic El Centro district of Cuenca, Ecuador, creating a modern 2,000 square foot loft that was subsequently featured in The New York Times "Great Homes and Destinations." In doing so, she found her passion and a new career as a real estate agent. She has been working as an agent throughout Ecuador – primarily in the Cuenca area -- since 2011.
