---

**Licensed Associate Real Estate Broker**

Bonnie Koff's enthusiasm and entrepreneurial spirit is the reason she has been a success at building new businesses, starting with an art gallery in Mamaroneck, NY, then having the foresight to be the first to open 8 nail salons in NY, Chicago, Minneapolis, and Rochester, MN. After 18 years in the business, she sold them and began a career in real estate. 25 years later she has achieved the highest honor awarded to a Realtor, that of Realtor of the Year 2019. Outside of Real Estate, she is immersed in raising funds for the Hudson Gateway Realtor Foundation for which she is Treasurer and Chair of Fundraising. Other honors she has received are the Community Service Award given by the NYS Association of Realtors and the National Association of Hispanic Realtors. Mention family and she will regale you with stories about her kids and her grandchildren.
