

A Special Offer to HGAR Members from Parkway Pest Services

Take 10% Off Any Pest Control Service

Parkway Pests Services has been in business since 1932 and is owned and operated by a Board-Certified entomologist. We currently serve all of New York City, Long Island and the lower Hudson Valley. Our pest control technicians are professional and gimmick-free, giving you the best service in the area.

Call Parkway Pest Services and let them know your real estate firm and location and start saving money!
